TIME CUT-OFFS: This race is staffed by volunteers who would be devastated if someone gets seriously hurt on their watch. The time cut-offs are for your own safety. If you miss a time cut-off, it's a pretty good indication that you are very tired and not in a position to make good decisions about continuing. Anybody who argues with or disregards instructions from aid station workers to withdraw from the race when they have missed a time cut-off will be banned from future SLUG events. PLEASE DO NOT DO THIS TO OUR VOLUNTEERS.

Runners are required to carry a bottle or hydration pack. Volunteers will re-fill your bottles, hydration bladders and/or re-usable cups in a touch-free manner. You must handle your own stuff (lids, packs, etc).

DROP BAGS:

Drop bag locations: Start/Finish area (Berryman Campground) and Brazil Creek (mile 16 and 42). Please mark bags with your name, bib number and aid station name, and place them in the designated location at the start of the race.

Note: Large coolers, totes, or other unreasonably large items will not be transported to Brazil Creek.

Drop bags will not be mailed after the race. They must be retrieved on race day. Unclaimed drop bags will be donated or disposed after the race.

PARKING:

Parking is allowed on one side of the road only. Please obey No Parking signs on the road and in the campground area.

CREW INSTRUCTIONS

Please Note: Crew (family and friends) are allowed only at the Start/Finish area (Berryman Campground) and the Brazil Creek Campground aid station (mile 16).

Directions to Brazil Creek Campground:

Total distance = approximately 6 miles from Berryman Campground

Turn LEFT when you exit Berryman Campground and head north. Stay LEFT at the fork around mile 2.5, remaining on paved road. You will come to a stop sign at approximately 5 miles. Turn RIGHT and drive another mile.

CAUTION: Runners will be on the road. Drive slowly on the paved road.

The entrance to Brazil Creek Campground is on the LEFT approximately 300 yards after you cross the bridge over Brazil Creek.

Any runner receiving aid from crew at any location other than Berryman Campground or Brazil Creek Campground is subject to disqualification.

We do not allow crew at any other locations on the course due to lack of parking and to limit dust from dirt and gravel roads. Thank you for your understanding.
